

# CAMPUGET 1753 MUSCAT

## SMALL GRAINS

Soft

**Grape** : 100% Muscat Small Grains.

**Vinification** : Traditionally aged at a cool temperature to preserve the fruit and aromas.

This cuvée is distinguished by its intense aromatic expression and a perfect balance between sweetness and acidity. It reveals notes of white-fleshed fruit, exotic fruit, candied orange, and a hint of raisin. On the palate, the sweetness of the fruit blends with the freshness to create a wine that is as harmonious as it is refreshing. A masterful balance between sweetness and liveliness, for a round and smooth palate.

**Aging**: Enjoy immediately upon bottling, or within 2-3 years to see its aromas evolve.

**Food and Wine Pairing**: A wine that will pair perfectly with a fruity dessert such as a strawberry tart, or a soft cheese such as a Pélardon from the Cévennes.
