

CAMPUGET INVITATION ROUGE

Costières de Nîmes AOP

Grape : 40% Grenache & 60% Syrah.

Vinification : This wine is traditionally produced in stainless steel vats. Maceration times vary depending on the grapes.

From the very first nose, this wine reveals all the richness of its southern terroir. Its intense aromas of morello cherry, spices, black pepper, and chocolate offer a promise of generosity and character.

On the palate, the attack is frank and direct, driven by Grenache grapes that provide volume and roundness. Its perfect balance between richness and structure gives it a beautiful fullness, while the long and elegant finish prolongs the pleasure with lingering spicy notes.

Aging: Very pleasant even at a young age, it will age very favorably.

Food and wine pairing: It will pair perfectly with grilled meats and game.
